Any exhibitor planning to display a vehicle on their stand must gain approval from Kym Jones Exhibitions (KJEX), if you haven't notified us, please contact Nicole [nicole@kjex.com.au](mailto:nicole@kjex.com.au) P: 08 8297 1688 by **Friday April 26, 2024**.

## CANVASSING REGULATIONS - NO CANVASSING OUTSIDE OF YOUR DISPLAY AREA

Exhibitors, promotional staff or mascots are not permitted to canvass visitors by standing in the walkways in front of your display or by roving through the event areas - inside or outside of the venue.

## PUBLIC LIABILITY INSURANCE

Exhibitors must have a public liability policy with a minimum coverage of \$10,000,000 for any one occurrence for the entire period of the Exhibition. **A copy of the policy must be supplied to Kym Jones Exhibitions (KJEX) prior to the Expo move in.** If you do not have any cover, a temporary policy can be arranged by returning [Order Form 1 - Page 5](#). Exhibitors are also advised to take out a temporary insurance policy to cover all goods on display. The policy should cover all items from the time they leave the exhibitor's premises until such time as they are returned. The policy should cover damage, fire, water and theft.

## RULES & REGULATIONS

Please read carefully the Conditions, Rules & Regulations which were sent with your Booking Agreement.  
<http://www.kjex.com.au/PDF/KJEX%20Exhibitors%20Terms%20&%20Conditions.pdf>

## IMPORTANT OCCUPATIONAL HEALTH & SAFETY INFORMATION

It is the responsibility of all exhibitors to ensure that their employees, suppliers and sub-contractors comply with all relevant health and safety regulations and have a current Occupational Health & Safety Policy and Safe Work Procedures for all work to be undertaken at the Brisbane Convention & Exhibition Centre.

**For safety reasons;**

**During Move In & Move Out**

- **High visibility safety clothing/vests must be worn** during Move In and Move Out.
- **Enclosed footwear must be worn** at all times during Move In and Move Out.
- **No Children U14 are permitted** inside the Pavilion during Move In and Move Out unless pre-arranged with Kym Jones Exhibitions (KJEX). Please contact Nicole for further information.
- **No Smoking** – exhibitors and contractors are not to smoke within the Pavilion or within 10 metres of any entrances/exits.
- Animals and pets, excluding hearing and seeing guide dogs and animals that are approved as part of the Event, are not permitted within Event areas.
- Designated aisles and emergency exit doors must be kept clear at all times.
- No displays are to be placed in walkways or obstruct view of fire extinguishers or fire hoses.
- Exhibitors are required to check their displays to ensure they are safe, that nothing can fall over and visitors cannot trip over small items on display.
- Displays with raised floors must have ramps at edges to avoid visitors from tripping.
- Consumption of alcohol is not allowed within the Event area during Move In or Move Out. Intoxicated persons will not be allowed access to any Event areas.
- Action must be taken to avoid excess waste throughout Move In and Move Out which may create unnecessary hazards. Please place rubbish in allocated bins.
- **Move Out cannot commence until the expo has closed at 4pm (Sat), all visitors have left the Event area and all exhibitors are wearing safety vests.**  
**Please remind your team to have a safety vest with them for move out.**

## EMERGENCY PROCEDURE

In the case of an emergency in the Centre, please stay calm. Please follow the instructions given by BCEC staff who are fully trained for an emergency situation. Security and Building Services staff are qualified First Aiders.

The Centre has a 2-alarm system, which is as follows:

1st alarm sound.....**BEEP BEEP**

This is a stand-by alarm. Do not evacuate the room but be prepared if evacuation becomes necessary.

2nd alarm sound...**WHOO WHOO**

This is the evacuation alarm, which is followed by a PA message. This message will tell you what level of evacuation is occurring, for example: a room, floor or the whole building. Please use the nearest exit and do not use the lifts in the event of a fire. If we do need to evacuate, all exits are clearly marked with exit written in green. Centre staff will direct you to a Safe Assembly area. Assembly area is the footpath of TAFE Queensland South Bank campus, which is directly across the road from the bus waiting area in Glenelg Street. If you have an emergency while in the Centre, dial "8" on one of the BCEC in-house telephones. Let Security know the details/location of the emergency and they will respond.

## COMPETITIONS / LOTTERIES

Any competition, trade promotion or art union lotteries conducted at or in conjunction with an exhibitors stand must comply with the Charitable and Non-Profit Gaming Act 1999, Regulations and Rules (Qld). For more information on conducting a competition, trade promotion or art union, exhibitors should contact the Queensland Office of Liquor and Gaming Regulation on 13 74 68 to obtain an information sheet or visit their website: [Competitions and Trade Promotions: QLD Office of Liquor and Gaming Regulation](#)

## CARE OF THE BUILDING

The venue has advised that any exhibitor and/or any display contractors causing damage to the building will be charged for the repair of such damage. Items are not to be attached or glued to the floors, walls, or pillars of the Pavilion. If painting is being carried out for your display, please cover the floor.

## SECURITY

Security will be in attendance during the event. Due to the large expanse of the Halls, it is not possible for security to keep a constant watch over individual displays. Therefore, exhibitors should pay strict attention to having at least one staff member in attendance 60 minutes prior to the official opening time each day and up to 30 minutes after the closing time each evening.

## RUBBISH REMOVAL

It is the responsibility of the display contractors and/or your own staff to remove rubbish including boxes and packing materials etc during the Move In period. The rubbish must be placed in the bins located outside the loading door.

## EXHIBITOR SERVICES

BCEC's online exhibitor ordering portal allows exhibitors to order multiple services at the same time and obtain tailored quotes using a secure payment gateway. [Please click here to place an order for the Brisbane Careers Expo](#)

Please ensure all orders are placed and paid for well in advance to ensure your requirements can be accommodated. Online ordering will close 48 hours prior to start of the event. P: 07 3308 3536 E: [exhibitorservices@bcec.com.au](mailto:exhibitorservices@bcec.com.au)

## STAND CONSTRUCTION & EXHIBITS

1. **VEHICLE DISPLAYS** - All vehicles must be supplied with a drip-tray. The vehicle keys are to be left with Security Control, unless alternate arrangements have been made with the Event Planning Manager. All vehicles displayed on a gradient (e.g. one set of wheels on a ramp) are to be locked and no access to be granted unless removing the vehicle from the display. If the display has the vehicle totally off the floor level, chains or straps for added safety must also secure the vehicle. **A Vehicle Display permit is required to display vehicles at BCEC.**  
To organise a permit, please contact BCEC at E: [exhibitorservices@bcec.com.au](mailto:exhibitorservices@bcec.com.au) P: 07 3308 3079
2. **CABLES** - Electrical or other cables crossing walkways or public areas at floor level could cause a trip hazard. Where possible cables should be raised above the walkway. If this is not possible, cables need to be covered with a carpet tile, matting or taped with gaffer tape or cable covers. In high traffic areas changes in floor level should be highlighted with high visibility or yellow/black hazard tape.
3. **DEMONSTRATION OF EQUIPMENT** - Where an event or exhibition has demonstrations using portable electrical equipment, the venue Safety Manager must give special approval. Also, extra safety precautions must be taken to protect members of the public. These extra precautions must be complied with at all times or the demonstration will be stopped and a current permit to demonstrate must be held.
4. **ELECTRICAL EQUIPMENT – Test & Tagging** - The BCEC Management reserves the right to request removal from the site of any electrical equipment it deems to be non-compliant or suspect and can call upon internal specialists to assist when necessary. All portable electrical equipment, appliances and leads used on the BCEC site must be tested and tagged in accordance with Australian Standard 3760 and WH&S Act 2011. [Kym Jones Exhibitions is supplying a Free Test & Tag Service for all exhibitors, details on Page 6.](#) For safety reasons, double adaptors are not to be used in the Centre. Where an Exhibition has demonstrations using portable electrical equipment a work permit needs to be submitted to the Safety Department. Any person who suffers an electric shock from any piece of electrical equipment MUST report the incident IMMEDIATELY to the Centre's Security Department by dialling (8) on a wall phone.
5. **FLOOR LOAD WEIGHT LIMITS** - All floor areas within the BCEC have specified loading limits per square metre. Any equipment or item to be displayed, or used during an event weighing more than 500 kilograms must be assessed prior to the item or equipment being positioned. A current permit must be held for items over 500 kilograms, and BCEC requires the following information in advance of the commencement of the build:  
The dimensions of the base of the item; The gross weight of the item; A picture or diagram of the item; and Indication on the floor plan where the item is to be located
6. **LPG GAS – Use on Stands** - The use of LPG on stands is allowed in the Exhibition Halls if a current permit is held, however the following policies apply:
  - All installations carried out in accordance with the relevant statutory acts and regulations
  - All appliances must be approved for use in accordance with the relevant acts and regulations
  - The quantity of LPG held within a stand is to be limited to that amount reasonably consumed in one day.
  - One cylinder per appliance - Maximum Cylinder Size = 45kg.
  - Centralised cylinders with appliances connected to a reticulation system are not permitted.
  - Cylinders must be fitted securely to appliances to prevent the cylinder from falling.
  - Cylinders and connections must be protected from damage.
  - Control of cylinders must be accessible by the stand but not by the public.
  - Each evening at the close of show the LPG must be turned off at the bottle and all cylinders must be removed from the building overnight to designated areas.
  - Security and provision of storage facilities at designated areas is the responsibility of the Event Organiser.
  - The LPG supply must be connected and disconnected by a certified tradesman.
7. **TEMPORARY STRUCTURES** - All temporary structures will be professionally designed, structurally sound and will contain reasonable provision for:
  - Safety of persons to be accommodated in the event of fire, including means of egress.
  - Prevention and Suppression of fire.
  - Health of persons accommodated.
  - All structures over 2.4 metres in height, where persons either staff or guests gather, must be certified by an engineer.
  - Patrons must give consideration for wheelchair access to the Stand (Building Code of Australia –Section D3.3). The reduction of the existing level of fire protection is not permissible. Designers and builders have an obligation to design and construct to these principles and any relevant standards or legislation while meeting the special needs of their client.
  - Stands over 18sqm where roofing is fitted must have a "Smoke Detection Device" and have a fire extinguisher installed. The recommended material for the roofing is "shark tooth" type material that allows water penetration from sprinklers and fire canon.
